

Frequently Asked Questions

Q. How do I get involved in Kids Ministry?

A. First, you will need to have a CCCV Ministry Application on file. This application can be found in the KM Office, the Front Office, the Gazebo, and through the following web link, https://calvaryccv.ccbchurch.com/form_response.php?id=6. If you already have a Ministry Application on file, stop by the KM Office and ask to sign up on our Interest Sign-Up sheet. After your Ministry Application has been processed/reviewed you will be contacted for follow up and later begin training.

Q. How can I serve in Kids Ministry? Would I be required to teach?

A. There are many areas within Kids Ministry that you can serve within. Teaching is one of the areas you can serve within, but you would not be required to teach. If teaching is the area in which you would like to serve, we would be blessed to have you serve in that capacity! Please see AREAS OF SERVICE on the GET INVOLVED page for a full list of where you can serve.

Q. How can my child get involved in serving in Kids Ministry?

A. If your kid is at least 10 years old, he/she can join T.E.A.M. (Teens Engaged in A Ministry). T.E.A.M. servants help teachers in the classrooms. If your kid is interested in serving on T.E.A.M. he/she should speak with the KM Director and complete a T.E.A.M. application.

Q. Is it ok to bring my kid's friend/relative to our fellowship even though this may not be their home fellowship? And how do we help them sign-in?

A. Absolutely! We encourage the kids to witness to their friends and relatives by inviting them to come to church with them. Please note that you will use the same check-in/out procedure for guest/visitor kids. You can check in your kid's friend/relative into their own respective classroom.

Q. Is it ok to bring snacks or treats for my kid to share with the other kids in his/her class?

A. No. The Kids Ministry has been entrusted with the care and safety of the kids in our fellowship. More than 12 million Americans suffer from food allergies, 3.1 million are kids. Since food allergies have become such a prevalent issue of concern for our little ones, we ask that parents and teachers do not bring special treats for the kids. In the event of a special day or party, the parents will be given a list of approved/disapproved foods beforehand.

Q. I'm concerned that my baby's diaper may not be changed when needed; how do I know that he/she will not be left in a wet diaper during class?

A. As Kids Ministers we desire to take care of the kids entrusted to our care as best we can. In order to better minister to our kids and their parents, we change the diaper of every kid that is under our care during the service. In other words, every kid under our care will have their diaper changed, regardless if it is clean, wet, or soiled. In this way, we will insure that each kid will be handed back to their parent with a clean diaper.

Q. What are those numbers that appear on the side of the sanctuary stage from time to time?

A. That is our Digital Display System used to communicate with our parents. It is used to alert parents that they are needed in their kid's classroom. If the parent was not able to be reached through a text message, the kid's assigned number will appear on the display if a need arises that requires the parent's attention. We ask that the parent makes their way to their kid's classroom if their kid's number is displayed.
