

Kids Ministry Areas of Service

Serve in the Kids Ministry and use your gifts and talents to make a difference in the life of a child! These are areas of Kids Ministry you can serve within and a brief description of how each area impacts the lives of our kids:

- **Teachers and Helpers** – *Do you want to train up the next generation in the Lord? Our desire is to have one teacher and at least one helper in every classroom. These are the ages/groups you can serve within as a teacher or helper.*
 - **Nursery** Do you love holding, rocking, and caring for babies? The Nursery Ministry's vision is to love the kids with the love of Jesus.
 - **Pre-K** Do you have energy and love to play with toddlers? The Pre-K Ministry fosters an environment where God's word enriches young minds, and His love illuminates fragile hearts through the guidance and care of committed servants.
 - **Primary** Kindergarten through 3rd grade kids are full of questions and love hearing of God's love and goodness. You can be the one to love and train them in the things of God. The Primary Ministry's focus is to come alongside our parents by helping lay a foundation based on the Word of God in the hearts of the kids!
 - **456** Do you desire to equip the future generation? The 456 Ministry equips our children in the Word, in Faith and in defending the Truth.
 - **Special Needs** Do have a love for God's children and a compassionate heart? The Special Needs Ministry's focus is to serve our families with special needs kids by showing them love and sharing Jesus in practical ways.
 - **God Squad** Kids of adult servants are here for multiple services. The God Squad Ministry allows these kids to fellowship with one another after attending 1st service. No prep-work is required, it is just a time to enjoy and supervise these preschool and elementary kids.
- **T.E.A.M. Facilitators** – *Do you desire to train up the next generation of servants? Our T.E.A.M. Ministry introduces and encourages our youth to serve The Lord. Standing for "Teens Engaged in A Ministry," we give teenagers the opportunity to serve and teach our children as assistants under adult supervision.*
- **Building Foundation Follow-Up Team** – *Do you want to minister to kids who just made a commitment to Christ? The Building Foundation Class is offered to 2nd through 6th graders who recently gave their hearts to Jesus. This 4-Week class gives kids the foundation they need to walk firmly with Christ.*
- **Kids Worship Team** – *Do you love to worship God? Do you enjoy sharing God's Word through music and song? Can you play an instrument? Our desire in the Kids Worship Ministry is to share the love of God through song. You do not need to play an instrument, just have a heart to worship God.*
